ABOUT US

Established in 1980, Lynwood painting and decorating tools truly reflect the needs of DIY customers.

With manufacturing facilities in both the UK and China, the product range has been designed with simplicity in mind. Delivering both performance and affordability, Lynwood is the perfect choice for every decorating task.

- Durable products to limit returns.
- Several brush ranges to enable up-selling.
- Multi sets to increase basket spend.
- Key accessories to prompt add-on sales.

PLATINUM

The Lynwood Platinum range of brushes use synthetic filament for a very fine finish with all paints.

NO BRISTLE LOSS

No Bristle Loss brushes are a favourite in the Lynwood brush range. Synthetic filaments and deep set resin help prevent bristle loss during painting and create a quality brush that will give a fine finish with all paints and varnishes.
